

Books available from Guest Author Aimee Carter: She will sign all books that are ordered: Please fill out and return form with check or exact dollar amount by Monday March 26th.

First in a series about a boy who discovers a secret race of animal shape shifters.

The excitement continues for the secret race of animal shape shifters with a hero “worthy of a young Harry Potter”. (booklist online)

I liked this sequel a lot. All of the characters are dynamic. I think these books do a good job sending the message that friends and family are very important
